*For those who did not make the cast list, we applaud you for having the courage to be a part of the audition process. The time, energy, and emotion you have given is humbling for us as directors, and we do not take your efforts lightly. We have been known to make “mistakes” and look forward to being proven wrong in the future.

**For those who did make the cast of Mary Poppins, congratulations are most definitely in order. There are still many parts and responsibilities to be assigned, so make sure you are ready to step up when the opportunity presents itself. Our first rehearsal is scheduled for Tuesday, August 22nd from 3:35-5:00pm in the choir room. Make sure to bring a folder for sheet music and a pencil for note taking. It is at this first practice that you may expect to receive more details and a tentative rehearsal.

***Lastly, we request that you accept your role by initialing next to your name on the physical copy of this cast list posted outside the choir room on Monday.
